

BUYELA RESTORATION

LOVE GOD  LOVE PEOPLE

To our dear friends and family

The year 2025 began with a few challenges and trials. But as believers, we know that our faith has the chance to grow and mature during difficult times. These moments of testing remind us to place our hope solely in the Lord Jesus Christ, who gives us strength and carries us through every challenge. Despite all hardships, we have chosen to move forward courageously, trusting that God will do great things this year.

Buyela Restoration Team 2025

Christmas Celebration 2024

At the end of last year, we planned and held a Christmas celebration to close out 2024. In the afternoon, we had a program with our Kids Club children.

BUYELA RESTORATION

LOVE GOD  LOVE PEOPLE

Our goals for 2025

- Ein Bonding-Camp, um die Gemeinschaft unter unseren Kindern und Jugendlichen zu stärken, ihnen von der guten Botschaft von Jesus Christus näher zu bringen und zu neuen Leitern ausbilden.
- Die Begegnung mit unseren internationalen Volontären, um den Horizont der Kinder zu erweitern und den kulturellen Austausch zu fördern
- Eine Osterfeier, um die Bedeutung von Jesus Opfer und der Auferstehung auf eine tiefere Weise zu vermitteln

Bonding Camp

Unfortunately, we have not yet been able to carry out the planned camp. Our vision for the bonding camp was to create a space where our children and young people could experience deep fellowship, build trust, and grow in a safe environment. However, many of our young participants were unable to attend due to school obligations, and some parents were still hesitant to let their children go on a trip with us. We understand this hesitation and took the time to speak with the parents and take their concerns seriously.

In response, we decided to reschedule the camp for after the winter season, hoping that more children will be able to attend then. In the meantime, we ask for your prayers—that parents and children will recognize how valuable such experiences are for the development of the younger generation.

BUYELA RESTORATION

LOVE GOD  LOVE PEOPLE

Our greatest wish is that this camp won't just be a leisure activity, but a place where lives are changed, hearts are touched, and young people are empowered to step boldly into their futures.

Volunteer Work

A special highlight for us was meeting our first international volunteer, Linda. She was a great enrichment to our work and inspired us with her loving and dedicated nature. From the moment she arrived, she radiated a wonderful energy and integrated seamlessly into our projects. She actively participated in our school projects, supported us in working with the next generation, and brought many creative ideas.

The children immediately took her to heart, and her positive spirit was felt by everyone. Unfortunately, Linda became ill during her second week with us. It was a challenging time, and it broke our hearts to see her struggling with her health. Things became so intense that she eventually had to cut her trip short and return home earlier than planned.

We are very thankful that she is recovering well, and we thank the Lord from the bottom of our hearts for that!

Easter Celebration

Another joyful moment still lies ahead this year: our Easter celebration with the children! Easter is one of the most important times of the year when we remember Jesus' great sacrifice and celebrate the message of His resurrection.

BUYELA RESTORATION

LOVE GOD  LOVE PEOPLE

We want to use this opportunity to help the children understand what Easter truly means in a special way. Through stories, songs, games, and interactive programs, we want to help them understand God's love on a deeper level.

We're planning a celebration that will not only be cheerful and colorful but also spiritually rich—something that touches the hearts of the children. Our goal is that they return home with a new perspective on Easter, strengthened in their faith and filled with the joy that can be found in Christ. We thank you already for your support and prayers that allow us to create such precious moments.

Vision

The heart of Buyela Restoration is that people's hearts would return to God through restoration in Christ. As a family, we love bringing this kind of hope to people through the little that we do—and we leave the rest to God.

It truly brings us joy to see those smiles.

Thank you

To close this newsletter, we want to thank you all from the bottom of our hearts. Your prayers, your support, and your love are what make our work possible. Every contribution—be it a prayer, a donation, or a kind message—means the world to us and motivates us to keep going, even when times are tough.

As a family, we are currently facing challenges as well and kindly ask you to keep us in your prayers. We trust that the Lord will carry us through every difficult phase and that we will come out of it stronger.

May God bless you, protect you, and fill your hearts with His love.

Donations and Support

BuyBuyela Restoration depends on the generosity of people who want to support the organization's vision and projects. We need prayer support so that God opens doors for us to reach people's hearts and proclaim the good news, and that the projects may grow under God's protection.

But we also need financial support to make these visions a reality. We are thankful for your help.
